

Online Community Manager

Hashtag BLKLIN | Community Is the Work

Hashtag BLKLIN is more than a network—it's a space where Black professionals connect, grow, and support one another. We're looking for an **Online Community Manager** who knows how to hold space, set boundaries, and build something sustainable.

If you believe community is about care *and* structure, this role is for you.

What You'll Do

- Manage and nurture Hashtag BLKLIN's online community spaces
- Welcome and support members while upholding community standards
- Moderate conversations and address issues with care
- Support digital programming and engagement initiatives
- Help build a healthy, scalable community culture

Who You Are

- A thoughtful, empathetic communicator
- Experienced in online community management or moderation
- Comfortable navigating complex or emotional conversations
- Organized, consistent, and calm under pressure
- Aligned with Hashtag BLKLIN's mission and values

Why Hashtag BLKLIN

- Mission-driven, community-first organization
- Opportunity to shape a growing digital ecosystem
- Supportive, collaborative team
- Flexible work environment
- Work that genuinely impacts people's lives

✉️ Apply by submitting your resume and a brief note on your community management experience.

(Examples of communities you've managed or engagement strategies welcome.)
